

Zein
Designs & constructions

Your project is our business..

Company scope:

1. We offer you interior designs for **shops, exhibitions, offices interior design, and home décor.**
2. We have been a key player in the Egyptian market since 2012.
3. We Use authorized materials in every construction element, piping, paint; and even the bolts and screws.
4. We handover the project identical to the approved design.
5. We provide you with a design matching every company identity.
6. Our biggest strength is our respect to our clients and to our work. We take pride in delivering at the agreed time without a single hour delay.

Vision & mission

We, at Zein Design, plan to be the leaders of interior design in the Egyptian market through innovation and cooperation with our clients. We have a very strong work ethic that puts quality and customer satisfaction above everything. We exercise care and meticulousness in the process of design and as much meticulousness in the process of implementation itself. We plan to let our work be the spokesperson to our company.

What **We** Do?

shops

Exhibitions

Furniture

offices interior

Home interior

3D Design

3D Design

We offer you interior designs for showrooms, exhibitions, offices, and home, and we manufacture statement pieces of furniture.

What you see. Is what you get.

3 D Design

We, at Zein Design, exercise care and meticulousness in the process of design and as much meticulousness in the process of implementation itself. We plan to let our work be the spokesperson to our company.

Home interior:

We at Zein design, study with our clients on all the details beforehand; including the cost and payment method. And we present you the final product as you desire it, and with class!

We care for the Tiny Details to Completes the Big Picture.

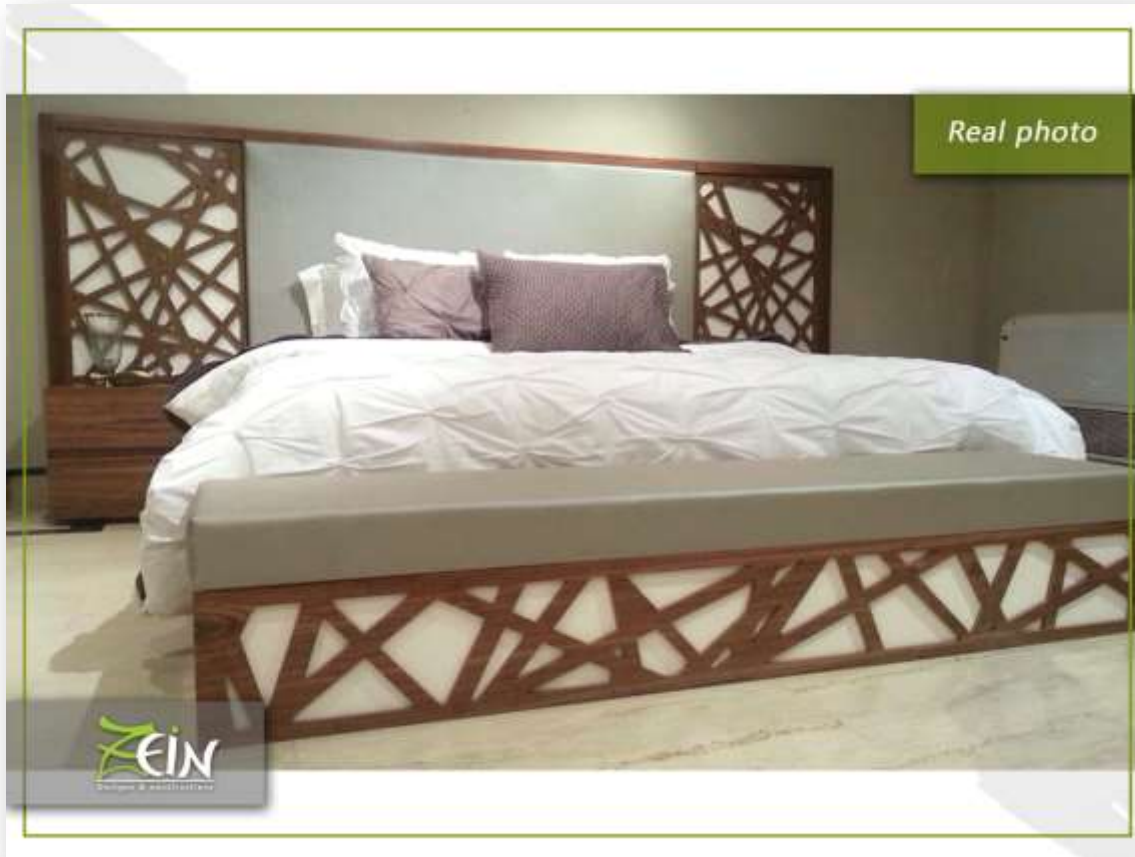

Furniture:

we create and supply furniture for commercial, administrative and residential projects. Our clients can choose their preferred pieces from the catalogues or custom-made drawings and blueprints, or according to their own choosing. All our pieces are delivered in a timely manner.

KITCHEN:

It doesn't matter how small or big your kitchen is, ZEIN DESIGN is your most practical choice when it comes to the highest quality standards

What you see is what you get..

Shops:

Showrooms are a reflection of the exhibitors' values and fine work, so we, at **Zein Design**, understand that it is crucial for them to be designed in accordance with top-notch standards for efficiency and beauty. No one showroom should look like another.
